# Message from Dream India Team

As we write this note, before anything, as a team we would like to express our sincere love and prayers for Ms. Tharani Ramachandran. You will ever remain with us Tharani.

2022 – 2023 has been a year of resurgence for Dream India post covid. We could get back to all our projects with renewed energy and serve more than 5000 plus rural government school children this year as well.

Thiramai Thiruvizha, Educational Scholarships, Educational tours, Project AnnaViruksham, Project Annalakshmi, Project Diwali For All, Project Dhariyalakshmi, Project Support the system, study centres, community libraries etc had great impact to the children directly.

It is a wonderful feeling to see our children grow up and take up the chain back to the society in their own way. Chennai, Mumbai and other regions saw our Dream India children don the hat of taking the lead and executing projects for the next generation.

The year also saw the project Diwali for all zooming over 1300 plus children compared to the 200 plus we did the year before. We were able to pull such projects off ONLY because of each and every one of you. The trust and faith you have on us enables us to do more.

As we embark on our service further, we would like to keep the same promise as ever – ensure every single rupee of yours reaches the needy, admin cost to be borne by the trustees, continue with same passion and mission of making the level playing field available for rural government school and the children with special needs.

With you all being around, as always, Together We Can!!! Together We Should!!!
