Message from Dream India Team

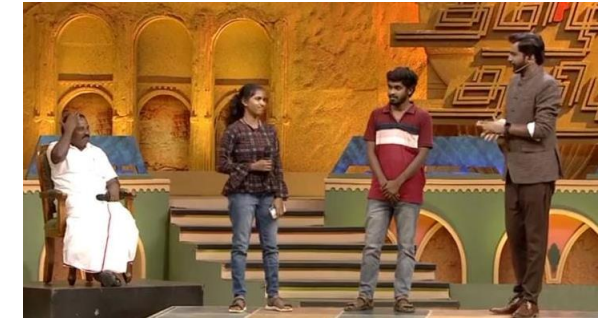

2023 - 24 has been a promising year for Dream India team. With the wonderful support from you all, we could work on expanding the reach of all our projects. We could onboard more rural government schools into Dream India umbrella and could scale our reach by 1000 plus new students. Educational Scholarships, Thiramai Thiruvizha, Educational Tours, Project Annalakshmi, Project AnnaViruksham, Exam Counselling sessions, Project Reach and Teach, Community libraries, Project Diwali For All and various other such initiatives helped Dream India team to serve the children better and provide a level playing field for the children.

We dedicate this year annual report to our wonderful students who stand as role models for other children.

- Mr. Sanjai Kumar, Dream India Scholar – a hard-working boy who came in DI's wings from 8th standard, stands tall today as one of the main coordinators of Dream India projects.
- Ms. Jeeva Jothi – our student from Adyar CHS 2008 batch stands as an excellent role model for all our children. A dynamic physiotherapist by profession, Jothi plays a huge role in our Kannagi Nagar Study center.

- Ms. Thenmozhi from SV Home - a talented kid from SV home since our days of 2008 stands as a wonderful Occupational Therapist today who serves the children of SV home with utmost dedication and sincerity.
- Ms. Jayasundari - the energetic kid from 2005 days of Mumbai is a seasoned IT professional now doing wonders. More on Jayasundari at <https://www.dreamindia.org/wp-content/uploads/2024/08/1000097829.mp4>

Our children give back in grand style and ensure the chain effect keeps continuing. Dr. Kalam's dream of love being shared from him to the world continues to happen with our wonderful children spreading their wings and showering others with love.

We are sincerely hoping to spread out more and have many such wonderful moments in the days to come, With you all being around, as always, Together We Can!!! Together We Should!!!
